Tips for Choosing a Topic

- Pick a topic you feel strongly about:
 - o What makes your life interesting?
 - o What disappoints you?
 - o Do you want to clear up a misunderstanding?
 - o Do you have a favorite person in your life?
 - o Have you seen or heard something thrilling or surprising lately?

- Are you writing to amuse? Entertain? Reveal a truth? Give information?

- Who is your audience? People who share your opinion? People who don't? Friends? Family?

- Imagine that you are a talk show host. What would be the theme of your show?
